

Save the date & Call for presentations

**MariLight Gesamtnetzwerktreffen 2024 / MariLight  
Network Meeting 2024:  
*„Navigating the Future: Achievements and Prospects  
in Maritime Lightweighting“***

**Date:** 18<sup>th</sup> and 19<sup>th</sup> of September 2024

**Location:** Fraunhofer Center for Maritime Logistics and Services  
(CML), Blohmstraße 32, 21079 Hamburg, Germany

Hamburg, on the 10<sup>th</sup> of July 2024

Dear MariLight members and those interested in maritime lightweighting,

this year's MariLight network meeting will take place at the Fraunhofer Center for Maritime Logistics and Services (CML). In addition to a varied congress program of presentations and discussions, a guided tour of Fraunhofer CML and an industry tour are planned. There will also be a social event on the evening of the 18<sup>th</sup>.

Please save the date - we will send out an invitation with further details and a preliminary agenda shortly!

You can already sign up for the event here: [>>REGISTRATION<<](#)

For the congress part of the network meeting, we would like to invite you to participate with a contribution on current issues in maritime lightweight construction. To stimulate technology transfer, contributions on lightweight construction from other sectors are also expressly welcome. Possible topics for further specialist presentations include fire protection, engineering in lightweight construction, joining methods, standards and regulations, material innovations for maritime applications as well as resource efficiency, recycling and sustainability.

If you are interested, please send us a short abstract on the content of your presentation by the 2<sup>nd</sup> of August 2024 to [info@marilight.net](mailto:info@marilight.net).

Further information on the event can also be found at <https://marilight.net/event/marilight-gesamtnetzwerktreffen-2024/>.

We are looking forward to an exciting exchange with all members and external guests.

Your MariLight team
